ORDER

19 Civ. 8051 (GWG)

GABRIEL W. GORENSTEIN, UNITED STATES MAGISTRATE JUDGE

The parties would have saved the Court some trouble if they had made their requests for permission to file summary judgment motions by the deadline in Docket # 41. Notwithstanding the fact that the requests are untimely, the Court will waive its premotion conference requirement as to the two belated requests (Docket ## 46 and 47). The deadline to submit the pretrial order materials (set forth in Docket # 45) is adjourned sine die. The proposed motions shall be filed by March 29, 2021 and shall comply with paragraphs 2.B through 2.G of the Court's Individual Practices. Thus, the briefing schedule shall be in accordance with paragraph 2.B of the Court's Individual Practices.
